FNVW 5 year Strategic Objectives 2018-2022

YOUTH

- Develop opportunities to engage youth (under 18) as participants and volunteers.
- Develop opportunities to engage youth (18-40) as participants, volunteers, and donors.

DIVERSITY

- Create a culture of shared leadership that embraces the principle that everyone has something to contribute.
- Develop opportunities that welcomes and encourages equal participation from individuals of different ages, races/ethnicities, genders, and sexual orientations.
- Enhance involvement of those who are served or impacted by the work we do as an organization.

DIALOGUES

- Establish opportunities to bring together individuals with different perspectives.
- Facilitate opportunities for dialogue and listening to those with varying opinions and experience.

UNITY

- Enhance collaboration amongst all FNVW programs, working together as one organization.
- Create clear lines of communication between program leadership, staff, and the board of directors.

LEADERSHIP

- Build and enhance program leadership to develop strategic programmatic objectives.

NONVIOLENCE

- Establish programming that provides a clear and direct opportunity for application and study of the principles of nonviolence.
